Carbondale, PA 18407

Dear Mr. Ford:

During Carbondale's Pioneer Days, August 23-27, 1982, the Committee to Restore Carbondale City Hall, Inc. will actively celebrate Carbondale's heritage by sponsoring a series of educational and historical activities to take place in Carbondale and in Carbondale City Hall. These activities will be a celebration not only of Carbondale and Carbondale City Hall but also of the economic, political, social and ethical orders that made possible the city of Carbondale. These educational and historical activities will include, but will not be limited to, (1) a series of talks/presentations on the history of Carbondale, to be entitled "CELEBRATING CARBONDALE'S HERITAGE"; (2) a series of films ("The Canaler," which is about the D&H Canal; "What Is A Museum," produced by the Pennsylvania Historical and Museum Commission"; and perhaps one or two others) on local history.

This letter, therefore, is a request, on behalf of the Committee to Restore Carbondale City Hall, Inc., to use one of the 16 mm sound projectors that are owned by the Carbondale Area High School in order to show these films during the week of August 23-27, 1982. The Committee will assume full responsibility for the projector during that week, and will return it to you in the condition in which it was borrowed.

Your assistance in this matter will be very much appreciated.

Sincerely,

Robert Powell

S. Robert Powell
